DETAILED ACTION

Election/Restrictions

1. Newly submitted claims 8-20 directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: That these claims directed to an invention other than the method as originally claimed. Because that claims 8-20 drawn to an apparatus versus the process as originally claimed, and in this case, it is clearly that the apparatus as claimed can be used to practice another and materially different process such as transferring or positioning of other electronic devices or assembly parts, etc., instead of the method invention of claims 1-5 (as originally filed). (MPEP § 806.05(e)). Further, applicant be aware that the Office in generally does not permit shift of invention and/or elected subject matter (see section 819 of the MPEP).

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 8-20 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

2. This application is in condition for allowance except for the following formal matters:

In the title:

The title should be changed to: --" Method for maintaining operatbility of a flexible self conforming Printed Circuit Board"--.

The abstract:

The abstract should have been revised to readable on the claimed method invention and should be limited within range of 50-100 words and in a single paragraph.

The Specification:

The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors

The claims:

- a) Upper case "Printed Circuit Board" (claims 1-8) should be changed to: --printed circuit board--.
- b) "a pliant material" (claim 2, line 2) should be changed to: -- a pliant material as molded rubber--.
- c) "the method comprising additional step of:" (claims 6-7, line 2) should be changed to:--further comprising step of:--.
- d) Non-elected apparatus claims 8-20 are required to be cancelled.
- e) Applicant's cooperation is requested in correcting any additional errors of which applicant may become aware in the claims.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.
